Where everyone is special

Message from Mrs Jones....

Welcome back. Easter Sunday brought the **joy** that Christ is risen, and as we rejoice with renewed **hope**, Jesus brings us the gifts of **peace** and **love** to share with others. As Fr Paschal Uche said in his final Lenten message for children, we don't just stop all our Lenten practices at the end of Lent: with Jesus at our centre, we find our reason to be. Eastertide brings a renewed vision, and the risen Christ is ready to greet us just where we are.

We have had a busy and enjoyable first week to the Summer Term and even enjoyed a little taste of summer sun on the field. The children have settled back in to lessons well and have produced some fabulous work.

At the end of last term, we joined with the other schools in the academy to walk a kilometre of kindness. We raised £299 and collected Easter Eggs for Hope4. Thank you for your kind donations.

May I take this opportunity to thank Year 4 for their Easter presentation that reminded us about the true meaning of Easter.

Thank you all so much for your support with the end of the day routine. This has worked well keeping children safe and I know many of you have said how much better it has been.

I wish you all a restful weekend. God Bless

IN SCHOOL NEXT WEEK

Wednesday – PTFA cake sale

Thursday – Mass led by year 4 supported by year 1

Coming soon:

**Picnic, parade and sports for the Coronation.
Details to follow.**

RECEPTION:	95%
YEAR ONE:	96.67%

Family Information Service

The Family Information Service (FIS) supports families across Warwickshire with advice and information. You can get in touch with the team by emailing fis@warwickshire.gov.uk, calling [0800 408 1558](tel:08004081558) or finding support on www.warwickshire.gov.uk/childrenandfamilies.

Emergency Alerts System test this Sunday

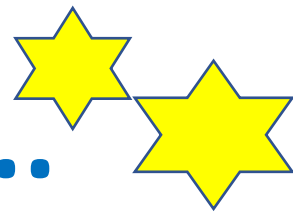

Warwickshire residents are being reminded that at 3pm on Sunday 23 April, all 4G and 5G compatible phones will receive a test message for the new Emergency Alerts System which will include a 10 second alarm and vibration.

The anticipated test has highlighted concern for vulnerable people, particularly victims/survivors of domestic abuse whose perpetrator may hear the test alarm and become aware of a secret or second phone.

The noise may also impact children and young people who experience auditory sensitivity. So, residents may want to ensure that the phone is turned off or out of the room at the time the alarm is set to activate. For those with a vision or hearing impairment, audio and vibration attention signals will let you know you have an emergency alert.
