Where everyone is special

Message from Mrs Jones....

In the Gospel this week, Jesus opened the eyes of two disciples as He broke bread with them. Through seeing different perspectives in illusion images, children learned that sometimes we need help seeing things as they are. Jesus gives us new eyes to see the joy, hope, peace and love of Easter.

This week is National Allergy Awareness week. Natalie from 'The Allergy Badge' who trained all staff earlier in the year came in and led an assembly for all of the children. We then handed out some fun activities and a competition.

Thank you to all those who supported the cake sale and pre-loved clothing sale. This money will go towards buying and supporting fun things for all children in the school.

Thank you again for your promptness of arrival into school and collection after school. The children now all leave the site safely. Please remember you are not to park on the drive unless you have permission to do so. If you have permission, then please can I ask that you arrive before 1530 so that the drive is clear and safe as the children leave. Remember the one way system.

Finally, after 15 years of service at school Mrs Olifent will be leaving us at the end of May. She is changing career and we wish her all the very best. She will be deeply missed.

I wish you all a restful long weekend. God Bless

ATTENDANCE LADDER

Catholic Life

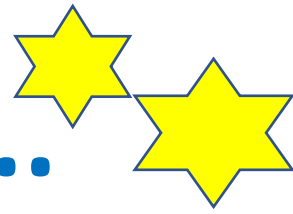

Earlier this academic year, the children all took part in a competition across all of the schools in our academy. They drew representations of the Social Catholic Teaching. I am so proud to announce that two of our pupils won and have had their designs made into plaques. These are on display in each of the schools in the academy. Well done to Cleverly and Adele

Family Information Service

The Family Information Service (FIS) supports families across Warwickshire with advice and information. You can get in touch with the team by emailing fis@warwickshire.gov.uk, calling [0800 408 1558](tel:08004081558) or finding support on www.warwickshire.gov.uk/childrenandfamilies.

Connect for Health outdoor activity booklet

The Connect for Health outdoor activity booklet is full of games and activities that help children and young people play and explore local green spaces. The activities are easy to follow, creative and fun to do.

There are lots of lovely parks, woodlands and walks in Warwickshire that families can explore and play games along the way.
